```

Example 2: BINGO!

```
i = 1 />  
bingo = 'BINGO' />  
condition="i LTE 5">
```

```
    There was a farmer had a dog,
```

```
    And Bingo was his name-o.
```

```
    from="1" to="4" index="j">
```

```
        from="1" to="5" index="k">        i EQ k>        (clap)        />  
#mid(bingo, k, 1)#                !
```

```
    And Bingo was his name-o!
```

```
    i++ />
```
